

Junior Coaching

Following up from past professional Colin, Graeme Fisher our new head professional alongside clubgolf coaches will be running coaching programmes this summer for the junior section. We would like to try and encourage our members to bring along any juniors they may wish to participate in the coaching. Members and non-members are welcome. For the future development of the club, we are trying to increase junior membership and build a stable foundation for the club in the foreseeable future.

We plan to hold the first coaching session on Monday 23rd April at 6:30-8pm. This will be **free of charge**, it is more just to give Graeme the chance to meet all the juniors and get numbers together for coaching groups and coaching levels going forward.

Prices for the coaching after this night are set out below. The coaching will commence the following week (30th April, 1st May), for any more information, please contact the professional shop.

Level 1 Coaching Monday Nights 6:30-8pm

PGA Professional Graeme & Level 1 coaches = FREE

Level 2 Coaching Tuesday Nights 6:30-8pm
